

How to re-register for the British Psychological Society

If you are a current member, you will not have to pay any fees for 2018 providing that you use the coupon code **bpsmembers** on checkout on the new BPS website, the system will capture your PayPal details and charge your normal renewal on the 1st Jan 2019. If you fail to enter the code, you will be charged for 2018, so do pay clear attention to that step of the tutorial.

1. Go to the new website, at the link:

<https://brphycsoc.org/membership-join/>

2. Select the membership tier that you were on previously or which you would like to change to by clicking "Select" next to the various membership options in the table:

Category	No Journal	With Journal

Retired Member	£5.50 - Select	£31.00 - Select
Student Member	£10.50 - Select	£31.00 - Select

3. This will add your chosen membership to the shopping cart (please note that the sign-up fee is the amount payable for the remaining calendar year prior to the renewal date, current BPS members do not need to pay this fee, see item 4):

The British Psychological Society only allows one current membership per member, do not purchase more than one membership. If you wish to change memberships you must first cancel your current one, you can do this within the 'Your Membership'/'Membership Content' section which is found within 'Your Member Area'.

6. The system will now take you to the checkout page where you will need to fill in some details in order for the society to register you. Many of the items are optional, and you do not need to complete those fields (look for optional in brackets above a field). Two fields that are of note are:

Paper Free? Do you wish to receive a paper copy of The Phycologist? *

No

Do you wish to receive email news from the Society *

Yes

These fields allow us to send you a paper copy of the Phycologist (or not if you wish to go paper free and receive a copy via PDF) and will also allow you to opt out of any email news (but not essential membership emails, such as renewal notices and confirmation emails). You can change these options at any time in your member area.

7. Completing checkout needs to be done through PayPal (you can use a debit or credit card (grey button) if you do not have a PayPal account (yellow PayPal button) , we are not able to take other forms of payment for new registrations (if you currently pay via BACs or have issues creating a PayPal account), please contact the Membership Secretary (membership@brphycsoc.org) for advice.

Honorary Members do not need to register, this has already been done for you and your access details emailed to your account
