

# British Psychological Society 71<sup>st</sup> AGM University of Newcastle-Upon-Tyne

## Secretary's Report by Francis Bunker

Over 2022 I have answered various queries from members and the public or passed them on to the relevant Council / sub-committee members. There have been many and varied pieces of correspondence from people who wanted to reach the British Psychological Society.

When correspondence has arrived relating to events which are of potential interest to BPS members, I have notified our Webmaster Andy Davies and his assistant Sally Archer-Thomson so notices can be posted on the BPS web site.

Council meeting minutes and the BPS Operating Manual are now stored on the web site. There have been updates to this manual in 2022.

A notice advertising Council positions was drafted and sent to the Psychologist for publication in the autumn issue. Unfortunately, due to a misunderstanding, an election for an ordinary member of council was not held.

The BPS Insurance was renewed at the end of November 2022 with Self Assured Underwriting Agencies Ltd.
